Saturday, July 31st

Water Sports Picnic
Saturday, August 7th

Water Sports Picnic
Saturday, August 28th

End of Summer Bash VI
Saturday, September 25th

Independence through adaptive outdoor adventures and sporting programs

In an effort to continue to grow with our partners we are introducing new sponsorship opportunities. Our 2010 Program Calendar is still being finalized but we expect to exceed 500 Program Dates next year.

We are adding our first ever "Kicking off the Summer Bash" on May 1st at the start of the summer to get folks involved in all of our programs early. We will finish off the summer with our 6th annual "End of Summer Bash" on September 25th.

We are adding 7 new Water Sports Picnics. We have Jet Skis as well as some Access Dinghies which are small sailboats we can use to teach any level of disability, at any age, to sail including the highest level of quadriplegic, quadruple amputees, 100% sight impairment, and all of those in between.

Each picnic will feature a barbecue, sailing, water skiing, jet skiing, and kayaking. RISE will furnish all of the equipment, volunteers, food and drink, and insurance that can include your company as an additional insured if required. This is a great opportunity to have your own activity, invite your constituency, and place your organization or companies name on one of these picnics. An example is John Doe Organization Water Sports Picnic Presented by RISE Adventures.

In addition to these programs we are also adding specific sponsor opportunities to over 20 RISE Programs. Starting in June we will again offer Flex Scheduling, which allows participants to schedule any RISE Program Monday through Thursday if our scheduled program times do not fit their schedule. You could sponsor a specific program ie: golf, hand cycling or horseback riding. Example: RISE Sailing Presented by John Doe Company.

Now, what will this cost you? RISE understands that the weak economy is still hurting all of our funding efforts. You can purchase an entire year of a specific program for a onetime payment of \$1000 (negotiable). The picnic's can be sponsored from \$500 to \$1000 each depending on the number of participants attending. If your organization does not have the funding but wants a picnic, RISE will be more than happy to provide you this opportunity for absolutely FREE, yes free! As with all of our collaborative partners we will continue to support your organization's efforts to provide high quality opportunities and support for the disability community!

If you have any questions or would like to discuss one of these great opportunities, please contact Paul Gray at 469.762.5075 or pgray@riseadventures.org!
