Event Recap

RISE First Annual Gala a Huge Success!

I want to personally thank each and every one of you that attended the November 14th event held at Dave and Busters. The evening started off with a Social Hour listening to McKenzie Seaux performing live on stage. McKenzie just turned 12 years old and entertained with stories on her song writing skills followed by a great rendition of her music by this very talented young lady. The Matekis followed with an assortment of country and folk music that kept the crowd entertained throughout the evening. These artists believe in the RISE mission and also performed at our sixth annual End of Summer Bash back in September. Mike Peters Video Presentation of this year's program pictures was a nice backdrop to the live entertainment. The Mexican buffet line was always busy. The pool and shuffle board tables stayed active as the player's competitive energy and enthusiasm showed. The camaraderie between attendees exemplified the evening. The highlight of the evening was the Award Ceremony. This is the first time RISE Adventures has recognized the volunteers and participants that went above and beyond anything we could have possibly imagined in their effort and involvement in the RISE mission. We truly appreciate each and every person involved with RISE Adventures but this year felt like we should start a new tradition acknowledging individuals with a special plaque.
