World Congress on Disabilities, Dallas Convention Center, November 18-19, 2010.

WCD
WORLD CONGRESS ON DISABILITIES
A non-profit company
November 18 – 19, 2010
Dallas Convention Center

The World Congress on Disabilities Exposition & Conference has become a defining event in the disability and special needs community and is now in its 11th year. The WCD offers a magnificent exhibit area and features 100's of exhibitors, including non-profit organizations and companies whose focus is on products and services designed to help those with disabilities. The conference consists of educational seminars given live by leaders in their respective fields, including Medicine, Science, Government, and Non Profit Organizations. RISE Adventures will host the Adaptive Sport's and Recreation Showcase. To become an exhibitor, attendee, make reservations, or to learn more please click on this link.
